Guide your way without disturbing others

The GuideLight is a portable LED lamp with a soft glow that is bright enough to guide people in the dark. It is ideal for use at night when you only need light for orientation. A motion sensor automatically turns it on when needed.

Freedom of placement

- Battery operated, no need to connect to mains while in use

Ease of use

- Infra red motion detector for automatic switch on
- Easy wireless induction charging no hassle with wires

Safe to use

- LED technology is cool to touch
- No open electricity

Ambiance light effect

- Romantic soft glow of constant light in elegant design

Light effect

- Orientation light for dark areas

PHILIPS
sense and simplicity
