# Highlights

## Auto clock synchronization

When connect and dock, this docking station will automatically synchronize the clock with your iPod/iPhone.

## Dock iPod/iPhone in its case

Smartly designed spring-loaded docking port effortlessly accommodates any iPod or iPhone, without special adaptors. What's more, it works even when most protective cases are on – just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.

## DockStudio app on App Store

The free Philips DockStudio app brings lots of cool exclusive features to your docking speaker. You can listen to your favorite radio shows, discover new music with thousands of Internet radio stations worldwide, browse through your music collection and share what you're listening to with friends via Facebook and Twitter. In Clock mode, it lets you set multiple customized music alarms and gives updated weather reports. Download it from App Store and find out more.
