

Philips EasySpeed  
Steam iron with Non-stick  
soleplate

**Steam 20g/min**

Non-stick soleplate  
Anti-calc  
1800 Watts

GC1017/26

## Fast, from start to finish

### 3 ways to speed up your ironing

This EasySpeed iron speeds up your ironing thanks to: triple precision tip, even heat distribution across the soleplate and continuous steam.

#### **Comfortable ironing**

- A fine spray evenly moistens the fabric
- Even steam distribution for efficient ironing
- Triple precision tip for optimal control and visibility

#### **Longer lifetime**

- Calc clean slider to easily remove scale out of your iron

#### **Easily removes creases**

- Continuous steam up to 20 g/min for better crease removal
- Non-stick soleplate coating
- Power up to 1800 W enabling constant high steam output

# PHILIPS

# Highlights

## Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

## Continuous steam up to 20g/min

Continuous steam up to 20 g/min for better crease removal.

## Power up to 1800 W

Power up to 1800 W enables constant high steam output.

## Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.

## Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

## Even steam distribution

Thanks to the carefully crafted soleplate design, the steam is distributed evenly across the soleplate. This way you need less strokes to evenly moisten the garment and therefore less time to complete the ironing.

## Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

# Specifications

## Fast & powerful crease removal

- Soleplate: Non-stick
- Continuous steam output: 20 g/min
- Spray
- Power: 1800 W
- Steam output

## Easy to use

- Water tank capacity: 200 ml
- Reaching tricky areas: Triple precision tip

## Calc management

- Calc clean solution: Self clean
