# PHILIPS

# Highlights

## Detachable water tank

1.2 L detachable water tank with special water inlet for extra hygiene.

## Easy rinse calc solution

Prolong the lifetime of your appliance by using the easy rinse calc solution regularly.

## Ergonomic, cool handle

Ergonomic handle stays cool for comfortable usage.

## Extra powerful steam

Powerful steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

## Glove for extra protection

Included is a glove that protects your hand during steaming.

## Hanger with hang&lock

Unique hang&lock feature locks the garment hanger and enables stability for more convenient steaming. The removable hanger

comes with recesses for dresses and trouser clips.

## Perfect pleats made easy

Perfect pleats made easy with pleat making accessory.

## Safe on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

## XL Stainless steel steam plate

The steamer head has an XL stainless steel steam plate which delivers faster results.
