Designed for daily use

- Break resistant jar withstands intensive use
- Sturdy base stands stable, even during kneading
- Dishwasher safe accessories

Highlights

850 W motor

This Philips Food Processor offers a powerful motor with 2 speeds and pulse, providing power and control to prepare all your favorite recipes.

PowerChop technology

PowerChop

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create pastries and bread dough. The higher speed setting (speed 2) is well-suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.

Accessories for 30+ function

The - dishwasher safe - accessories are a kneading tool to mix and knead batter and dough. A stainless steel chopping knife to prepare meat and vegetables. Various disc inserts to handle shredding and grating. Break resistant blender of 1L for blending, crushing and stirring different ingredients. An emulsifying disc to prepare food like whipped cream and mayonnaise. A chopper mill to grind e.g. coffee beans

Break resistant jar

1.75L break resistant jar makes up to 5 glasses of smoothies

Up to 5 portions in one go

The generous 2.1L bowl enables you to blend up to 5 portions of soup in one go

In bowl storage

The big capacity of the bowl allows you to store the attachments in its inside

6 steel disc inserts

Simply select the right disc insert (slicing, shredding, granulating and julienne) to prepare your favourite food and click it on the disc holder.
